Tiny Tots is for children ages 16 months and older. The goal of the group is to provide a setting where children can play with age-appropriate toys, develop language and communication skills, develop fine and gross motor skills, and learn positive techniques for guidance and discipline.

These skills will be developed through art activities, story time, snack time, open play, singing songs, and modeling the behavior of teachers as they interact with children

The group is guided by Church in the Highlands staff.
